***Regular Arcadia Sabbath Fellowship Meetings
And Pentecost Services***

April 17, 2008

Dear Brethren,

Although I have been coming to Arcadia every other month, many brethren have desired to have regular Sabbath meetings. Although, I cannot be there for every Sabbath, we can now provide the beginnings of regular Sabbath meetings.

We will not have different speakers, but you will be able to hear my new messages that you have not heard and also to have videos of sermons that you have not seen. While this is not as good my being there for the Sabbath meetings, it is far better than having Sabbath at home alone. I feel that if we have a good response, with a good turn out of brethren, this may work very well.

For our pilot program to gauge how many brethren would be able to come on a regular basis, we have secured the following Sabbaths in May and in June at the Embassy suites in Arcadia. May 3; May 24; June 7 and Pentecost, June 8 —Videos for both days. Services will begin at 10:30 AM on all Sabbaths.

I will be there for Sabbath June 21 and we will have our regular all day meetings with a meal in between services.

Meeting Place:

***Embassy Suites, Arcadia
211 E. Huntington Dr
Arcadia CA 91006***

Phone: 626-445-8525

John Matyas and Harry Curley will be your hosts. While they will not deliver any sermons, they will be there to handle announcements, music for hymns and to coordinate with the hotel.

We hope that as many brethren as possible will respond and make these Sabbath meetings a success. If we have a good response we will secure other meeting dates.

With love in Christ Jesus,

Fred R. Coulter
