

Aliens & UFOs: What are They?

Fred R. Coulter—June 22, 2013

We just saw a short presentation by a leader of Parliament who retired from Canada talking about space aliens, UFOs, the coming one-world religion and government, and so forth. There are space aliens! *They are God the Father and Jesus Christ and the Holy angels!* They are alien to the people on earth.

There are also demonic aliens, pretending that they are people communicating to human beings through other human beings being possessed. All of this comes from three major Scriptures, which are the starting point for many other Scriptures that talk about a coming world government and coming world religion, they're all going to take place, etc. The knowledge that they have is deceitful knowledge. The knowledge that we have concerning these things from the Bible is the Truth. All of this is designed to bring in the final *beast power*, which is going to rule the whole world. They have been at this for a long, long time! They have been succeeding incrementally; you can't do it all at once.

It's kind of like frogs in a pond. They breed, they're polliwogs, the older frogs move on and sooner or later they die off. That's *generational shift*. The polliwogs then grow up and they gain a certain amount of power. Then there are other polliwogs coming along behind them, because they're breeding, and they change the history for these new ones coming behind. As they get older they are pushed out. Then those who are of that second wave have the reins of power and they change the history and the education, and sooner or later they're pushed out. Then you end up with a generation that is totally deceived and doesn't have any background in history, has no knowledge of the Bible, no knowledge of the Word of God, and the world has been completely turned upside down.

You can read many different books on this. I've got a book: *The Death of the Grown-Up* [transcriber's correction] by Diana West. They're not even adults entering into 40-years-old, most of the time, today. That's all part of it.

- you dumb down the society
- you dumb down the world
- have all the reins and controls of power given to certain people

and we'll see where that comes from.

Ephesians 2:1: "Now you were dead in trespasses and sins, in which you walked in times past according to the course of this world, according to the prince of the power of the air..." (vs 1-2). It is a *worldly system*, but who controls it? How is that

maintained?

"...the spirit that is now working within the children of disobedience" (v 2). There are those in the higher echelons than other people. But this is called *the spirit of the world*.

We have been called out of that and we have the Spirit of God. God shows us in His Word how the world became the way it is today, and how it has progressed the way it has, and we will see how that has taken place.

Revelation 12:9: "And the great dragon was cast out, the ancient serpent who is called the Devil and Satan, who is deceiving the whole world; he was cast down to the earth, and his angels were cast down with him."

- They come along as deceivers
- They come along pretending to be aliens

Sources of aliens:

1. God the Father, Jesus Christ and Holy angels
2. Satan the devil and demons

under Satan the devil are:

3. Those who are the power elite that rule and control the world, who want to bring in all the things that he mentioned in this short video; and they've been at that a long time

"...he was cast down to the earth, and his angels were cast down with him."

These three Scriptures are the foundation from the Word of God upon which everything we need to understand about the world and also a whole host of other Scriptures involved, too. This is the head of it.

Luke 4—the temptation of Jesus by Satan the devil; let's realize that this is why every great civilization fails. There was what was called in ancient Greece *The Golden Age*. That was the sodomy age! That lasted 50 years, and Greece has never been the same. That gives forewarning what is going to happen when the Supreme Court declares homosexual marriage legal, which they undoubtedly will! When they do that, I already have a sermon in mind that I'm going to bring, because that is a signal that the end is going to come—the end of this nation, not the end of the world.

There's another book I want to get, which I heard about, *Men on Strike!* by Helen Smith, PhD. Very interesting! The whole goal of this, the way you bring down a nation—it has been authenticated by Gibbon's *The Fall of the Roman Empire*. The

same tactics, same Satan the devil, same way to do it:

- break down the family
- make the children rebellious
- bring in homosexuality
- bring in the desecration of men being the head of the household

BAM! *It falls!* All of those things are contrary to God's laws. No one can be successful by ignoring the laws of God.

Luke 4:3: "Then the devil said to Him, 'If You are *the* Son of God... [Satan always challenges God] ...command that this stone become bread.'" Jesus could have easily done that—couldn't He? What did He do when He fed the 3,000 and 5,000 and so forth? He just prayed and asked God to bless them, and five loaves and two fish and you feed 4,000. Then you pick up all the baskets leftover. He could have done it, but what is the key thing here? ***If you follow what Satan tells you to do, he becomes your god!*** That's why he's called 'the god of this world' (2-Cor. 4:4).

Verse 4: "But Jesus answered him, saying, 'It is written, "Man shall not live by bread alone, but by every Word of God."' So, the whole basis of our existence in life is living by the words of God because He made us! Don't you think the Creator has the best understanding of how we are to live? *Of course!*

You don't take a Rolls Royce to a Volkswagen service center to get it repaired when it's not running right. Same way when human beings are not working right, you don't go to Satan the devil and say, 'How do I live my life?' *You'll be misled!*

Verse 5: "Then the devil led Him up into a high mountain... [type of government] ...and showed Him all the kingdoms of the world in a moment of time. And the devil said to Him... [I can imagine how alluring his speech was] ...'I will give You all this authority... [Jesus was destined to become King of the world, *God's way!* So, here Satan is offering a shortcut! Then 'you will be accepted by the world because you would have worshiped me.'] ...and the glory of them *all*; for it has been delivered to me, and I give it to whomever I desire'" (vs 5-6). He's got to have permission from God to do it, first. But when societies and people reach certain depths of depravation, he gets the okay to do whatever he's going to do.

If there are enough people in there who are willing to go God's way, then He [God] can turn it back. But otherwise, it will be just like when God and the two angels met Abraham and they were going to go down to Sodom and Gomorrah. The

Lord said in talking to the two angels who were with Him, 'Let us go down and see if the cry that comes up from Sodom and Gomorrah is what we hear it to be.'

God has given free moral agency and choice. We have to make the right choices. Abraham knew what it was like down there because Lot was living there. He bargained all the way down to ten people and ten probably would have been Lot, his wife, his children, two sons and daughters-in-law and their children. Couldn't find them, so God destroyed it! God also works within the choices of human beings.

Here is the condition to receive it, v 7: "Therefore, if You will worship me in *my* presence... [The implication from the Greek is *worship me as God*] ...all things shall be Yours."

There is a structure—***a satanic structure***—running this world. God has given permission to Satan to have it, because of the choices of people not wanting to follow God. Who are the front-ranked people that are responsible?

- the ministers
- the civil leaders
- the economics
- the education

All of those, and unless they are run on the basis of the commandments of God, this society will be taken down.

You hear claims that there are aliens walking among us. If there are aliens walking among us, looking like these 'teardrop-headed' people that they have imagined them to be, where are they? Show us!

There are also things of delusional apparitions, so they could see a delusional apparition and think they're seeing the real thing, but they're not. So, they come back and say, 'I saw this.' I would have to put it in the category that that's still part of Satan's deception.

If the message is that we are to save the world, stop global warming, all get together under the golden rule—which all religions have—and let's be at peace with one another, and let's work it out with these wonderful rulers and let's let the people make the decisions; *that is also delusional*. This is the way the world is going to view it, because *Satan has power of the world*, and he is deceiving the world. Remember, *the final beast* (Rev. 13) *is worshiped!*

Revelation 13:1: "And I stood on the sand of the sea... [What do the waters represent?] ...and I saw a beast rising up out of the sea, having seven heads and ten horns..." Here is this great worldwide governmental system that coming up; it's rising.

This is another view of it, Revelation 17:1: “And one of the seven angels who had the seven vials came and spoke with me, saying to me, ‘Come here; I will show you the judgment of the great whore who sits upon many waters.’”

Verse 15: “Then he said to me, ‘The waters that you saw, where the whore sits, are peoples and multitudes and nations and languages.’”

This is telling us it’s going to happen! It’s going to be a deception! It is going to look good! Every deception of Satan the devil looks like it’s going to solve the problems, but it ends in destruction. Look at:

- Adolf Hitler
- Benito Mussolini
- Hirohito and Tojo
- Marxist Leninists and Stalin
- Marxist Leninists and Mao Tae-tung

Look at the vision of our current President: ‘We have lofty goals; we’re going to distribute the wealth, we’re going to help everyone’—which is a destructive force! Look how it’s working out; not very good.

Everything on that video that we saw is true as it is interpreted by the Bible, and will happen according to the Word of God, in God’s time. Just like Satan had to come to God concerning Job.

First he got permission to afflict him. That didn’t work so Job came back after God said, ‘Have you seen My servant Job? You did all this to him and he didn’t curse Me.’ Satan said, ‘Yeah, let me smite him.’ So, God said, ‘Okay, you can smite him, but you can’t take his life.’

I’m sure Satan has to go and get permission every time there is a major event that’s going to happen. God will base all of these decisions based upon His plan and the collective choices of people. Even in the case of one man—Josiah—did He hold back His correction because of Josiah’s repentance? *Yes!*

In Jer. 1 God told Jeremiah, ‘You run through Jerusalem and see if you can find one man who does justice, who will do what is right, and I’ll pardon the whole thing.’ Meaning, He would stave off the devastation of Jerusalem because of the one man.

Remember what happened with Jonah going to Nineveh. He didn’t want to go, but God made him go. After he preached, ‘You’ve got to repent; God’s going to destroy you.’ They all repented from the greatest to the least, even the king put on sackcloth and ashes, repented to God and even made all the animals fast, as well. So, God came to Jonah and said, ‘See! Look what they did. I told you that’s

what they would do.’ So, Jonah sat down and God made a gourd grow to shade him. And just to teach Jonah a lesson, that ‘if you do what I say, and they make the choice to do what they need to do and repent, don’t complain to Me.’ So, God caused the gourd to grow and also a big worm that ate it out, and come later in the day—POOM!—it falls over. He told Jonah, ‘Look, you do what I say. Don’t complain to Me.’

All of this is in God’s hands. Different ones have a different view of it, and it’s all a matter of confusion. You enter in there:

- demons
- witchcraft
- occult

Look at all the advertisements concerning the movies that are coming out. They are all occult! They are all death and destruction! Satan is preparing people for that very event! *Satan always telegraphs what he’s going to do through the movies and television!* It’s coming!

If all the young people want to feed their mind on that stuff, they are going to get it! At the same time, God is making the Gospel of preaching the Gospel in the world, making the Gospel available, publishing it, making it known, whether in truth or whether in contention. He also has many other prophets that have nothing to do with the Church of God.

- There are financial men saying that a collapse is coming!
- There are those saying the family is being destroyed!
- There are those saying that the educational system is ruining our children!
- There are those saying the government is corrupt from top to bottom!

How can they have so many people and trillions of dollars and they can’t stop the open corruption that is going on?

Anyone who has a modicum of sense is derided! Remember Michele Bachmann? Did you ever hear her speech where she quoted from the Bible, from Solomon’s prayer? She said, ‘We can turn this around,’ but just as it is in the Bible, *‘If My people will turn to Me and repent of their sins, I will hear.’* They put such a hit on her after she won Iowa—the straw-poll—undermined her in her local district, that one of the worst democrats had a higher possibility of winning the office than she did. She said, ‘I’m not running, and since it’s a Republican district, the democrat dropped out.

That’s how they wanted to get her. They wanted to get her out, so they contrived all of these things to make it happen.

- We need to keep our eyes opened!
- We need to watch!

Not only those things, but we need to watch the Truth and doctrines within the Church of God. ***It's going to happen again! Guaranteed!*** It will be swift, smooth and nice. ***Whenever people get into an attitude of complacency, lethargy and satisfaction, they are ripe to be taken down.*** We've seen it happen!

That's what you get from a preacher!
