The New Bible in its Original Order

Why This Bible is Unique Above All Other Bibles?

The Holy Bible In Its Original Order is an extraordinary Bible—unique in two ways. **First, it is the only complete Bible ever published that accurately follows the original God-inspired manuscript order** of all the books of the Old and New Testaments. In addition, once the original order of the 49 biblical books has been restored, the Seven Divisions of the Bible are also re-established: *The Old Testament* contains: 1) The Law, 2) The Prophets, and 3) The Writings. *The New Testament* contains: 4) The Gospels and Acts, 5) The General Epistles, 6) The Epistles of Paul, and 7) The Book of Revelation. With this restoration, God’s purposeful design of the Scriptures begins to unfold, revealing His divine inspiration.

The Holy Bible is **not** a collection of mythological fables conceived by human minds. Rather, “holy men of God spoke [and wrote] as they were moved by *the* Holy Spirit” (II Pet. 1:21). As Paul wrote, “All Scripture is God-breathed”—and thus reflects the mind of Almighty God, Creator of heaven and earth. It is the truth of God from the God of Truth, Who cannot lie; it is His *personal revelation* to mankind—the pinnacle of His creation—whom He made in His own image. From Genesis to Revelation, God reveals His awesome, eternal plan and purpose to those who love and obey Him.

Second, this version is a new translation—*A Faithful Version*—that reflects the true meaning of the original Hebrew and Greek with fidelity and accuracy, showing the unity of Scripture between the Old and New Testaments. Today, in the face of rampant religious confusion, those who read and study the English Bible deserve an excellency of translation that can be trusted. Reviewer Dan Decker of *Bible Editions and Versions* (June 2005) writes of this *Faithful Version* of the New Testament: “It [is] **an excellent translation for those desiring a literal one.**” Likewise, the Old Testament rendition faithfully conveys the clear meaning of the Hebrew text.

Included are vital commentaries providing accurate accounts of the history and preservation of the books of the Bible: Who wrote them? When were they written? When were they canonized and by whom? Other Commentaries and Appendices answer critical questions such as: When was Jesus born? How did Jesus Christ fulfill the Law and the Prophets? When was Jesus crucified? How long was He in the tomb? When was He resurrected? What does it mean to be born again? What are works of law? What are the true teachings of the early apostolic New Testament Church that Jesus founded? Also, biblical and historical chronologies show an accurate timeline from the creation of Adam and Eve to the present. There are detailed footnotes and marginal references explaining hard-to-understand passages of Scripture.
