

Judge Righteous Judgment (Caravan to Midnight #2)

Fred R. Coulter with J.B. Wells—May 30, 2024

Moderator: As we prepare to bring on Fred Coulter, I just want to finish up this, but I want you to hear it all. It's just a few lines. I'm going to pick it up here.

The modern state of Israel, its inhabitants commonly referred to as Jews or Pharisees, have Edomite origins and are descendants of the Khazarian Jews, the ones 'who call themselves Jews but are not,' lacking direct lineage to Abraham, Isaac, and Jacob.

Furthermore, Himachal raises questions about the challenges faced by individuals of European descent worldwide as they are the Real Semites, Anglo-Saxons, the missing 12 tribes.

In conclusion, the title *Jesus the Nazarene, King of the Jews*, does not accurately represent the original Latin inscription. A nuanced examination of language, historical context, and the evolution of terminology suggests that ruler of the Judeans is a more faithful translation.

This case study underscores the importance of digging deeper into the past to uncover unaltered truths.

That piece was penned by Wendy Wells, I'm delighted to report. All right, now I told you about this already, but I want you to hear it again because I want you to get this:

- **afaithfulversion.org**
It is *A Faithful Version* of the Holy Bible
- **truthofgod.org**
- **churchathome.org**

And Fred Coulter has modified tonight's message—given what has happened—tonight's title of the program is *Judge Righteous Judgment*.

I've mentioned he has a ministry now spanning 60 years. It's against this backdrop of bumping up against these prominent atheists, especially in America and the United Kingdom, who have mounted these bitter assaults against God and the Bible. God Himself and the Bible, even the Scriptures themselves, are no longer held as sacred. They've been thoroughly violated in the rush to produce the so-called modern gender-neutral translations. In fact, Christianity itself is in moral retreat.

Against this backdrop, Fred Coulter has worked as a minister, author and publisher to:

- produce 15 books
- an abundance of booklets and papers
- thousands of audio and video sermons

- hundreds of half-hour video segments for Church at Home, covering basic Bible topics and questions
- over 60 in-depth sermon/transcript compilations

All designed to ***safeguard the true doctrines of the Lord Jesus Christ as well as the Scriptures themselves!***

From the time of the original apostles until now, everyone has wanted to know ***when and how will Jesus return?*** There are key prophecies in the Old Testament, as well as in the New Testament, which give us many pertinent facts concerning the Lord Jesus' second coming. One of the key places is in Matt, 24 as well as in the book of Revelation.

When the temple in Jerusalem was destroyed in 70_{A.D.}, nearly all Christians at that time thought that the Lord Jesus would return, but it didn't happen, which also led to a great disappointment. However, the Lord Jesus did promise that if He went to the Father that He would return.

So, we will examine key prophecies which reveal that today we are very close to the time of the Lord Jesus' return.

Without further ado, here's the man himself, Fred Coulter. Fred, welcome back to the program. Great to have you again.

FRED: Yeah, thanks a lot, John. I appreciate the introduction. But with the judgment that came down today. We need to examine it.

{transcriber's note—on this date—May 30, 2024—a verdict of 'guilty' came on Donald Trump in the NYC case. As of this transcription date, this verdict it moot!}

What does it mean for the whole nation? We need to examine it in the light of how terrible that this judgment was and why it came upon us.

Getting back to Matt. 24, we'll have to defer on the temple and the coming of Christ till another time, because this is on everyone's mind right now. But it says in:

Matthew 24:12: "And because **lawlessness shall be multiplied, the love of many shall grow cold.**"

Now, this judgment that we saw in New York City today was as ***evil and wrong and unlawful and ungodly as anything has ever been!***

Now, that's not to say that Trump is a perfect man, because no one is perfect. But you can be sure that there was nothing in the law that was

there to really convict him about what we're dealing with.

We're dealing with a split population of the whole nation, just like you mentioned in the beginning about atheists and those who hate God and hate the Word of God. The Word of God is there to judge all of us all the time, because God has made us and created us.

- there is good and evil
- there's right and wrong
- there's righteous judgment and there is unrighteous judgment

So, let's look and see, first of all, that while judgment actually begins with God—because God is Judge of ALL, *everyone, every person, everywhere*:

- through every generation
- through every society

because He gives life and breath and everything to all human beings!

That's why He's given His Word and His Laws and His Commandments, because they're done in Truth and Righteousness. It says this about Jesus' second coming in:

Psalms 50:3: "**Our God shall come, and He shall not keep silent**; a fire shall devour before Him, and it shall be very tempestuous all around Him. He shall call to the heavens from above, and to the earth, **so that He may judge His people**" (vs 3-4).

You are correct in saying that the Jews who are the Khazarian Jews have nothing to do with the tribes of Israel. Only those who are *true descendants* from the tribe of Judah. But the other ten tribes are the Anglo-Saxons.

That's why for the last 500 years that Britain and America have ruled the world. ***BUT—because we've turned our back on God—He is taking that away!***

You need our book, *America and Britain: Their Biblical Origin and Their Prophetic Destiny*, because we're living in Biblical times and the prophetic destiny that we are facing right now is with *the hand of judgment* from God.

Verse 6: "And the heavens shall declare His righteousness, **for God Himself is judge**. Selah."

Now, let's look at some other things concerning God before we get into *unrighteous judgment* so that we have a comparison, *because there are so many people that say 'we don't need the Old Testament, we don't need the Laws of God; Jesus did away with the Law,' when Jesus said He didn't do away with it! Heaven and earth will pass away,* and it shall still never be done. Jesus also said that 'heaven and earth shall pass away, **but My Words shall never pass away!**

This is what we are missing in modern Christianity today. They have watered it down to such a point that ***everyone does what is right in his own eyes***, and they

- sneer at the Word of God
- sneer at the Laws of God
- sneer at the Commandments of God,

and they live their own sensuous lives in sin and expect God's blessing! Never happen!

Now let's look at *why* God is judged and how He's going to judge. First of all, ***His way is perfect. His Laws***, by which he makes judgments, ***is perfect!***

Now it says in Psalm 19:7: "**The Law of the LORD is perfect...**"

Stop and think about this: If you had the most perfect diamond in the world, would you throw it away or would you keep it and use it?

It's the same way with ***the Word of God!*** It's worth more than all the gold, worth more than all the silver, worth more than all the jewels in the world, ***and this is what is going to judge us, and God Himself will do it!***

It also in Jeremiah 4:2: "...As the LORD lives,' in truth, in judgment, and in righteousness..." Think about that!

IF we come to God, that's why we come to God:

- to praise Him
- to thank Him
- to confess our sins to Him

and He is faithful to forgive our sins!

I just might interject here that we can look at as something that is undoubtedly true, that all that Donald Trump has gone through—all the evil and the wringer he has been put through by the liars-in-chief and the satanists, the godless and the atheists—that whatever his faults in the past may have been, he certainly has repented of those, and he is certainly more capable of doing the Presidency than anyone else in America at this day.

Now, that's not a political statement. That is a statement of observation and fact. We also need to understand this, because someone's going to say, *God is love!* Of course He is! Let me tell you this: ***Truth, judgment, and righteousness are actually expressions of God's love, and are the substance of righteous judgment!*** Thus, ***His love is where God is judged! Grace comes when you repent!***

Now let's see how God looks down on what's going on in New York. Let's compare it with what God loves and what He hates.

Psalms 11:7: "For the LORD is righteous, **He loves righteousness...**"

What is righteousness? **All of His Commandments are righteousness!** If you think about it, take the one that everyone likes to quote, 'love your neighbor as yourself.' What does that mean? *Think about what you would not like to happen!*

- you would not like to be murdered
- you would not like to have someone commit adultery with your husband or wife
- you would not like someone to steal from you
- you would not like someone to lie to you

That's your neighbor as yourself! So, if you don't like those things, **why do so many people do it?**

David declared this, that judgments of God are true and righteous altogether. So, this is what we look at with the backdrop of what is going on today. **God is dealing with us in every way!**

And every day, every single one of us have to make judgments, whether small or whether great, and when we make a mistake, what happens? The consequences are not good, and that's called, in the Bible, *sin, especially when it comes to the Laws of God!*

Look at what happens. You just *take the last six commandments in which God judges all nations!*

First of all, **honor father and mother!** When the family breaks down, everything comes apart.

- **no murder**
- **no adultery**
- **no lying/cheating**

Those are all good and perfect things, and here's what we need to understand: *God has set before every single one of us, every single day, the very important thing that we need to realize! We find this in Deut. 30:15. This is very important for us to understand, because this applies to every single person. Doesn't matter:*

- where he is
- who he is
- male or female
- young or old

It makes no difference! God has set this before all human beings. That's why the Word of God is so important. **This is all because God loves us, and because God wants us to have the good things that He can give to us!**

Likewise, **IF** we sin against God, **IF** we go against His Laws, **THEN** the good things that He wants to give us will not come, *and evil things will take place!* We'll see that in just a minute.

Now think about this as God dealing with you personally. I don't care who you are, where you are, what your age is, this is the whole story of life. That's what's affecting this judgment that came

today in New York City, because the whole nation needs to be concerned about this. God is looking to see what the people will do. Let's look at our individual choices here.

Deuteronomy 30:15: "Behold, **I have set before you this day life and good, and death and evil.**" *That's out there!*

- **IF** we live a good life, *we have blessings*
- **IF** we live an evil life, *we have all the penalties—which are called curses in the Bible—come upon us*

Now, here's what God says. Here's what God wants us to do and choose:

Verse 16: "In that **I command you this day to love the LORD your God...**" *The key thing to understanding the Bible is this:*

- you must **believe** God
- you must **obey** God
- you must **love** God

Now, **IF** you want the love of God back to you, **you must love God!** That's how it works.

Verse 16: "...I command you this day to **love the LORD your God, to walk in His ways, and to keep His commandments and His statutes and His judgments** so that you may live and multiply. And the Lord your God shall bless you..." *That's what God wants!*

But what we are looking at is the opposite today. So, let's see what happens when people reject what I just said here, because this is important.

Verse 17: "But if your heart turn away so that you will not hear, but shall be drawn away and worship other gods and serve them."

Other gods can be gods of any thing, even God says about the idols in your mind; and worship them.

Verse 18: "I denounce to you this day that you shall surely perish..." *Now, everyone's wanting to know:*

- Why is America going down?
- Why is America having all this trouble?
- Why are all these things coming upon us?

Right here it tells us, because these things happen automatically!

"...you shall not prolong *your* days on the land where you pass over Jordan to go to possess it" (v 18).

Now think about the land that God has given America, ***the greatest nation on the earth!*** And He's given here in America the greatest thing that could be:

- we have freedom of speech
- freedom of religion
- freedom of choice

Just like God gave here, that in America today, it is the only nation on the earth where the **true Gospel can be preached** so that people will know what the Word of God really means.

No other nation! You examine the whole world, look at it and see that God blessed us!

Verse 19: “I call heaven and earth to record this day against you *that* I have set before you life and death, blessing and cursing. Therefore, choose life, so that both you and your seed may live, that you may love the LORD your God, *and* may obey His voice, and may cleave to Him; for He is your life and the length of your days, so that you may dwell in the land, which the LORD swore to your fathers—to Abraham, to Isaac, and to Jacob—to give it to them” (vs 19-20).

And that ties right in where you began with your introduction. Yes, **America and Britain and the nations of Northwest Europe are the end-time descendants of the ten tribes of Israel!** And we have that book, *America and Britain, their Biblical Origin and Their Prophetic Destiny*. There’s a reason why the nations of what are called Anglo-Saxon today are going down, because they reject God!

Now then, we have it at **ruthofGod.org** and you can get our small book on *Judge Righteous Judgment*.

Moderator: All right. Fantastic. You get it, folks!

I think it’s upon us. I don’t see any way out of this one easily. But then again, the Creator of the entire universe can do whatever He wants. It says in Scripture that if we pray—and a lot of us pray—it will be heard from heaven, which you could also call ‘outer space,’ the space above us. As we carry on our conversation with Fred Coulter:

- **truth of God.org**
- **church at home.org**
- **afaithfulversion.org**

and

- the book: *Judge Righteous Judgment*

Now I want to get to Fred, and I don’t want to get you off your track here at all. But I felt it incumbent upon me to mention to everybody that according to this article in *The Sun*:

The U.S. nuclear capable B-52 Stratofortress Bomber Cirled Vladimir Putin’s WWII enclave Kaliningrad, in a mission from the UK.

Which doesn’t look good to me at all. I’ll be brief.

The mission was reportedly intended, by the NATO alliance, as a warning to Russia about what its members are capable of.

That’s genius isn’t it? Then a little bit more.

A mapped out route taken by the bombers tracked by UK defense journal showed the aircraft departed from the UK. They flew to Russia. circled Kaliningrad, which is surrounded by EU and NATO members. Poland and Lithuania. Before returning to RAF Fairford base.

It’s ridiculous!

The U.S. Air Forces in Europe confirmed two B-52H Stratofortress aircraft flew over the Baltic region on Tuesday were escorted by Spanish F-18 Hornets, German Air Force Euro-fighters, Polish Typhoons, and Polish MiG-29 aircraft as part of Bomber Task Force. 24-3 operations.

So I just wanted everybody to hear this, because I believe that these Zionists Who have seized control—and I don’t want to be a maniac here; I try very hard not to be a maniac, Fred, *but I only advise!*

FRED: Hey, that’s vital news. That’s on the international scene.

Moderator: Not only that, but this government has been completely taken over by Zionists from Anthony Blinken, to Merrick Garland, to this character Mayorkas, the so called Secretary of Homeland Security. These people are leading us into war.

If you don’t agree with this. please sing out, because if you can refute that it may make me feel a little bit better and I’ll be completely all right with it. But this does not look good to me at all!

FRED: No it doesn’t look good. the thing is this. That is collectively called in the New Testament: *The Synagogue of Satan!* Who is the father of lies?

Moderator: That would be Satan!

FRED: So this is a warning, but it’s also a provocation. It is dangerous, and could lead to a war that no one has seen before. This kind of provocation does nothing at all to further anything to try and end the hostilities. But what all of this does, it confirms what the Scripture says:

Matthew 24:6: “And you shall hear of wars and rumors of wars....”

That’s what we’re hearing; that’s what we’re seeing. So, people need to understand that we’re living in Biblical times.

You can’t say, ‘Oh, I wonder what it was like when Jesus was on the earth?’ **No!** He’s still active, things are taking place, prophecies are being fulfilled, and all of these things are hanging in the balance.

And the finality of all of this will be the return of Jesus Christ! When that comes—and when I have an opportunity to bring that message—it will be startling, because it’s not going to be a little tiddlywinks of a great disappearance.

So, back to what we were talking about here. Here’s what God brought upon all the judges. He set Israel up in a system of judges. Now that’s what we have today in America, *we have a system of judgment.*

Let’s look at the hideous judge that sat there in judgment of Donald Trump, and all of the jurors, because they’re as guilty as anyone else, because they didn’t follow the law at all. This is a complete set up. And like Trump has said: *‘If they do this to me, they’re coming for you!’*

Now, let’s get back to the Bible. You can’t get away from going back to the Bible to understand what we should do. So, here’s what God commanded the judges: ***judge the people with righteous judgment!*** We’ll cover ***how to get righteous judgment*** here in a little bit.

Deuteronomy 16:19: “You shall not pervert judgment; you shall not respect persons, nor take a bribe, for a bribe blinds the eyes of the wise and perverts the words of the righteous. You shall follow that which is ***altogether just...***” (vs 19-20).

Look at what happened today. It was the most insane, ludicrous, unlawful, unfair, unjust—whatever other word you can use—that came. But remember, ***this has all developed, because people have left God!***

They have given the synagogue of Satan entrance into the whole governmental system in America! Donald Trump said today: ‘The coming election is the most important one in the recent history of America.’ That is true. God wants to know of the people:

- Will you make righteous judgments?
- Will you stand for what is good?
- Will you put away your sins?
- Will you stop all of your covetousness, lying and cheating?
- Will you help put into office a man who will at least bring decency and honesty in government that is not there now?

God also says, gives a warning: Leviticus 19:15: “You shall ***do no unrighteousness in judgment...***”

That’s exactly what the judge in New York City did not do. He did everything that was illegal, unlawful, and should not have been even in the law of the land.

“...You shall not respect the person of the poor, nor honor the person of the mighty, ***but you***

shall judge your neighbor in righteousness” (v 15).

This is what we’re seeing, and God wants to know:

- What are we going to do?
- How are we going to do it?
- How are we going to react?

Let me read just some things that have been afflicted here in the United States, so we all know. ***Listen! We are hanging right at the precipice***—like you brought out with the possibility of war—***of judgment from God never before known in America!*** Why is this? *It says here:*

Isaiah 59:1: “Behold, the LORD’S hand is not shortened that it cannot save, nor is His ear heavy that it cannot hear.”

There’s never a time that God will not hear ***IF there is true turning to God with humility and true repentance!***

Verse 2: “But your iniquities have come between you and your God, and your sins have hid His face from you, that He will not hear”

Verse 12: “For our transgressions are multiplied before You [God], and our sins testify against us; for our transgressions are with us; and as for our iniquities, we know them.”

- you all know the things you are doing that are wrong
- you all know the sins that you are committing

You are not fooling anybody! ***IF*** you deceive yourself, you are just helping tear down this nation quicker than anything else.

Verse 13: “In rebellion and denial of the LORD, and turning away from our God, talking perversity and revolt, ***conceiving and speaking from the heart words of falsehood.***”

Now, that’s why we have this judgment come down. So, it’s not just on Trump; it’s on us!

- What are we going to do?
- How are we going to change?
- What is going to happen?

The first thing people need to get out of their mind is this: What I’m talking to you about is Truth. ***It’s not religion!*** Religion is a form of theocracy that is not Biblical:

- Biblical is from the Word of God
- Scriptural
- Truth
- *no traditions* of men
- *no changing* of God’s Laws

So you need to, every one of us, I do, you do, everyone who’s listening:

- What is your life?
- What are you doing?
- Are you pointing the finger at all of those who do wrong, and you're not taking a look at your own life?

Everyone is responsible to God, like I started out, **they have to choose** what is right. That's what free moral agency is all about, and that is called **judgment! What kind of judgment do you have?**

Let's look at Proverbs. Like I've mentioned before, if you have never been involved in studying the Word of God, you go to the book of Proverbs, because that's easy to understand. It shows clearly **right and wrong, good and evil, and what you need to do!**

And God has put it into the form of what is called wisdom speaking, because some people don't like to have God involved. The reason that they don't is because *they don't know God*, because the teachings of Christianity of this world and other religions, they don't teach about God. They teach about falsehoods to make people feel good or tell them that they're going to live forever **when all of those things are not true!**

Proverbs 2:1: "My son, if you will receive my words and treasure up my commandments within you"—**within your heart and mind!**

What does this do? *That says that we have to fully internalize God's teachings!*

Verse 7: "He lays up sound wisdom for the righteous..."

Now then, think about this:

- **IE** you're not righteous, *you don't have wisdom!*
- **IE** you're living the life of sin, lying, cheating, stealing, adultery, whatever it may be, *you're lying to yourself*
- **IE** you lied to yourself, *that's the worst kind of lie, because you believe your own lies!*

Moderator: Oh, yeah.

ERED: So he says, now you come to Him:

Verse 7: "He lays up sound wisdom for the righteous; *He is a shield to those who walk uprightly.*"

That means keeping the Commandments of God, loving your neighbor, loving your brethren! Now then, here's a promise.

- You want God's blessing?
- You want things to work out, even if difficulties come along?

All right, listen to this:

Verse 8: "He keeps the paths of *right* judgment and preserves the way of His saints."

Saints are not those people who passed away and went to heaven, and now have a statue around St. Peter's Basilica. **Saints are those who love and believe God!**

He says here the paths of judgment are found only in the Bible.

Verse 9: "Then you shall understand righteousness and judgment and equity, every good path."

You have to:

- grow in grace
- grow in knowledge
- come to understand
- then you come to a point of:

Verse 9: "**Then you shall understand righteousness and judgment and equity, every good path. Wisdom shall enter into your heart, and knowledge will be pleasing to your soul; discretion shall preserve you and, understanding shall keep you**" (vs 9-11).

That's the key in all of our lives, but this is what is missing. People don't want to do this. Or 'I have an opinion. My opinion is righteous and good.'

God shows that perverted judgment causes sin, and it's the same thing. All of our lives are based on decisions and judgments. Now then, out of this book that we have, this short book—*Judge Righteous Judgment*—I'll go through it quite quickly so that you understand that making right judgments and doing the right things means that we have to avoid pitfalls.

I'll list through them very quickly. There are a lot of details, and you'll get it in the book.

So you go to **truthofgod.org** and you will receive this entire book—*Judge Righteous Judgment*—downloaded to you directly.

Then we have another offer for you, which is even greater than that.

Special #1 {<https://www.cbcb.org/caravan.html>}

- The Holy Bible In Its Original Order, A Faithful Version
- America and Britain: *Their Biblical Origin and Their Prophetic Destiny.*
- Why Were You Born?
- Lord What Should I Do?
- Occult Holidays or God's Holy Days—Which?

Because those are important for you to understand, and those are things that are not even caught in nominal Christianity. You won't find any of that there, see, because they avoid the Bible.

That in itself is a wrong judgment on a part of the Christian leaders in the world.

The Common Pitfalls & Errors in Judgment
—from the booklet *Judge Righteous Judgment*

1) **Being opinionated and Having a Closed Mind**

You won't listen to anything!

2) **Being One-Sided—Unwilling to Listen to Every Aspect of a Situation**

That's precisely what happened in the court in New York City, *all one-sided!* Now, here's another one that is true.

3) **Believing that "He who comes is just"**

Or *seems just!* There's a Scripture that says this: *'The one who is first in his own cause seems just, but his neighbor comes and searches him out.'*

Now then, sometimes you don't get all the facts, and you jump to a conclusion, which is:

4) **Failing to Get ALL of the Facts**

You don't take opinions, you don't take hearsay. That's exactly what happened in this case.

What you're going to see in all twelve of these things that I'm going to cover, happened in the case with Donald Trump in the decision today and the process of that prosecution against him.

5) **Being a "Respecter of Persons"—Showing Partiality**

God says you are never to do that. Who are they showing partiality for? They're showing partiality to *the worst president in the world, the liar-in-chief Joe Biden!* At his behest, they're taking Trump to task with this judgment. Now, some other things that go along with that, in judgment:

A) **Liking or not liking the individual**

Doesn't matter whether you like or don't like the person, *stick to the facts!*

B) **Following the majority**

Sometimes the majority is not right.

C) **Excusing the minority**

That's what's happening with all of these judges that have all the criminals. You take what's happening in New York. They're going after Trump while people are being killed and slaughtered. Just three blocks away from where the trial was going on, a man was hacked with a machete.

Moderator: Yeah, that was today, wasn't it?

FRED: Today, just today.

That happened because they take these criminals to court, and no bail, they let them out right away. *That is deliberate deceit by those in the*

seats of authority to cause confusion, to take down this nation!

The reason that that has happened is because the majority of people have forgotten God, *any form of God!*

6) **Allowing Gifts to Blind the Eyes**

That's what happens. Look at what they're doing. Look at how much money they're making, because they're bringing this wrong judgment.

7) **Rendering a Judgment Before Really Hearing the Matter**

That's what happened when the defense tried to bring up all of the allegations that were brought against Trump, to try and bring out the truth, *and the judge struck them down!* Not relevant, not relevant, not relevant, not relevant! That makes him unwilling to hear it.

8) **Looking at Outward Circumstances and Physical Appearances**

That happens all the time!

9) **Not Knowing the Intentions of the Parties Involved**

Got to get all the facts!

10) **Doing What is Expedient**

11) **Getting One's Personal Vanity Involved**

That's exactly what the judge did down there!

12) **Applying and Over-Generalized Solution**

That's exactly what the determination of the case!

Moderator: Oh, boy, all right. Hold it up right there, and we'll take our break, and then come right back, and we'll carry on with the list, or whatever you want to for the remainder of the program as we visit with Fred Coulter.

You know, as we enter our final segment tonight, I want to send this message to everybody: *Don't take the bait!* As somebody near and dear to me described it earlier, this whole trial and everything that's going on is testing the limits of the ones they call MAGA. ***Do not take the bait!***

We can defeat them and not give them what they want, and what they want is they want us to 'spaz' out, get stupid, be violent, so they can pull another January 6 scam on everybody. ***Don't take the bait!*** We'll win, but we do it with brain, we don't do it with brawn. That's just how I see it.

Remember, Satan is a counterfeiter. Zionists are counterfeit Judahites. The state of Israel is a counterfeit nation; no dual citizenship. 'You cannot serve two masters,' nor can you serve two nations. Revoke them now.

I'm saying this needs to be done. These are my opinions. Our guest tonight, Fred Coulter, may

not share them. Pretty much anybody else out there in listener-land may not share them either.

But that's what I'm saying. Get them out while we still can before the nation is destroyed. How much does it take? Is it going to take a nuclear exchange with Russia? Or how about a collapsing economy?

Russia and China are using their local currencies to do business now. What happened to our dollar? What happened to the ever mighty dollar? It's being done to us. This isn't organically happening. It's being done to us. They despise us! They despise Christians! They despise Jesus! ***They're evil! They're of their father, the devil. The counterfeiter!***

All right, let's get back with Fred Coulter. That's my story; I'm sticking with it!

FRED: That sounds good. You said to me a lot of words.

Moderator: That's okay, You can reinforce them or modify them in any way that you like. *But this whole thing is counterfeit!* It's almost as though we're living in a counterfeit reality here. This isn't real.

FRED: That's right. Everything out there is counterfeit. You go on television and look at what kind of idiots that they are generating by watching television, having everyone as tech addicts on the phone and all of that sort of thing.

I need to bring a message on A.I., because A.I. is going to create the greatest generation of ignoramuses that ever existed, because they will rely on A.I. for everything, ***and that will become their god, and that will be their destruction!***

Moderator: Yep. I couldn't agree with you more. I totally do. *Really!*

FRED: Yeah! And the situation, what you said there is absolutely true. Let's add one other ingredient: ***Make the righteous judgment for yourself to come to God HIS way!***

That's the only way you're going to turn back the hand of God, because all of this, it doesn't matter who you can label, who you can point out is the One Who is the problem, ***because God raises up the enemy against His own people when they reject Him!*** That's the whole total lesson.

So, what I will do, I'll just say this. You go to <https://www.cbcg.org/caravan.html> to order Judge Righteous Judgment and the Special packages that we have.

Your name and your address is never put online, it is held in a separate in-house computer with no on-line connection.

- The Holy Bible In Its Original Order, A Faithful Version
- America and Britain: *Their Biblical Origin and Their Prophetic Destiny.*
- Why Were You Born?
- Lord What Should I Do?
- Occult Holidays or God's Holy Days—Which?

You will see that the knowledge that you have been taught in Christianity in this world misses everything. In fact, when you examine it for what it is Dagon. They have put the name of Christ in it, so it looks real. I've said this once before: You can't take a Rolls Royce emblem off the hood of a Rolls Royce and put it on a Volkswagen and sell it for a Rolls Royce.

It will never work, ***but that's what Christianity in this world is,*** and that's why we are where we are. So everyone has got to come to God ***His way.*** God isn't going to come to you. ***He's showing you what's going to happen IF you don't come to Him.***

Let's come to the book of Amos and let's see what God has said, and this is to ancient Israel:

Amos 4:5: "...O children of Israel!' says the Lord GOD."

In the book: *America and Britain, Their Biblical Origin and Their Prophetic Destiny,* you will see that that's talking to America, Britain, France and Denmark, Belgium, Norway, Sweden and Finland.

There are some Jews in Judah over there in the Middle East, but that area there is going to be the focal point of all the trouble in the world from now on. But for the children of Israel, let's say this, for the citizens of America and the UK, listen:

Verse 6: "'And I also have given you cleanness of teeth in all your cities, and lack of bread in all your places, ¹***yet, you have not returned to Me,***' says the LORD."

How much more trouble do we need before we start ***returning*** to God? ***God is not coming to you!*** You have got to come to Him. God is not the One Who is sinning. The people are the ones who are sinning.

Verse 7: "'And I have also withheld the rain from you..."

Then He says, when there were different cities came to get water:

Verse 8: "'So, two or three cities wandered to one city to drink water, but they were not satisfied; ²***yet, you have not returned to Me,***' says the LORD. 'I have stricken you with blasting

and mildew...” (vs 8-9)—and with sickness and disease!

Deut. 28—the whole chapter. Everyone likes all the good things, all the good blessings of God, **but:**

- they’re not willing to believe God
- they’re not willing to obey God
- they’re not willing to thank God
- they are not willing to let their lives be run and governed by the Commandments of God and His Holy Spirit

And you don’t get the Holy Spirit unless you repent and are baptized!

Verse 9: “I have stricken you with blasting and mildew. When your gardens and your vineyards, and your fig trees, and your olive trees increased, the creeping locust devoured them; ^{l#3}**yet, you have not returned to Me,’ says the LORD.**

And it says in Deut. 28, ‘your enemies shall eat your food in your presence.’

Verse 10: “I have sent the plague among you after the manner of Egypt; I have slain your young men with the sword, and have taken away your horses. And I have made the stench of your camps to come up into your nostrils...”

Isn’t that what is happening right here in America? Aren’t our cities terrible stenches of sickness, disease, and drug addicts and homeless? If the unemployment rate were truly honestly given, it would be like about 25 or 27 percent, because all of those who are homeless, and drug addicts living on the streets are unemployed, but they don’t count them.

^{l#4}“...**yet, you have not returned to Me,’ says the LORD.** I have overthrown some among you as God overthrew Sodom and Gomorrah...” (vs 10-11). *Now you better listen up, because:*

- What happened with Sodom and Gomorrah? Didn’t you just hear John tell you about how they’re conniving to try and get some sort of war going, and would that be a nuclear war?
- What do you think Sodom and Gomorrah was? *Brimstone from heaven!*
- What do you think an atomic bomb does?

“...and you were like a firebrand plucked out of the burning; ^{l#5}**yet, you have not returned to Me,’ says the LORD.”**

So, the question is: What will it take for people to really come to God **HIS way:**

- in truth
- in repentance

which means **stop breaking the Commandments and Laws of God,** because when you do, they are

breaking you. **Keeping the Laws and Commandments of God is a blessing!**

Verse 12: “Therefore, **I will do this to you, O Israel...**”

America and Britain and the democracies in Northwestern Europe, that’s the modern tribes of Israel. So, everyone better take notice to that.

If you don’t know who you are from, and **IF** you don’t know why you were born, and you don’t understand any of these things, **THEN** what are you going to do with your life? *I’ll tell you what’s going to happen:*

Verse 12: “Therefore, I will do this to you, O Israel; and because I will do this to you, **prepare to meet your God, O Israel!**”

How do you do that? When you are absolutely devoid of everything that you have thought is good, and all of the luxuries, and all of the things that you have.

So in Amos 5—He doesn’t want to do it, but He’s warning. And this thing with the trial, and with what we see with the other things; with the war in Ukraine, the war over there in the Middle East

Amos 5:4: “For thus says the LORD to the house of Israel, ^{l#1}‘**Seek Me,** and you shall live.’”

- You have to seek God **HIS way!**
- You have to come to Him **HIS way!**

Verse 5: “But do not seek Bethel...” *Bethel was their fake religion at that time!* Same thing with Christianity today.

You can’t find in the Bible Sunday-keeping, holiday-keeping: Christmas-keeping, New Year’s, Lent, Good Friday, Easter Sunday.

All of those are pagan days with the name of God attached to them. God says, when you do that, you make me serve with your sins. So, he says, don’t seek Bethel: Then it comes down here to:

Verse 6: “^{l#2}**Seek the LORD** and you shall live, lest He break out like a fire *on* the house of Joseph and devour it...”

Think about that! Amos ^[transcribers correction] just gave the warning, did he not? And that comes straight from the Bible. What do you think “...break out like a fire...” is?

House of Joseph--that’s America and Britain, Australia and New Zealand.

“...devour it, and there be none to quench it...[v 7] you who turn judgment to wormwood and leave off righteousness *in* the earth! ^{l#3}**Seek Him** Who created the Pleiades and Orion...” (vs 6-8).

In other words, **seek the One Who created the heavens and the earth and everything that there is.** Then He says right after that:

“...^[#4]**Seek Him** Who calls for the waters of the sea, and pours them out on the face of the earth—the LORD is His name,

So, there it is *four times!* There’s one more time of seek God:

Verse 14: ^[#5]“**Seek good and not evil**, that you may live; and so the LORD, the God of hosts, shall be with you, as you have spoken. **Hate the evil, and love the good, and establish judgment** in the gate...” (vs 14-15).

That’s what we’ve been talking about here most of the program about **judging righteous judgment** and the pitfalls of unrighteous judgment.

“...It may be that the LORD God of hosts will be gracious to the remnant **of Joseph**” (v 15). *You could just put in there:*

- America
- Canada
- Britain
- Australia
- New Zealand

Because that’s what it means! That’s what God is doing.

Now let’s look at a couple of other things concerning judgment that we can finalize that. There are quite a few things here concerning it. Let’s see what it talks about.

From the booklet: *Judge Righteous Judgment*; here’s one that’s very important from the chapter on **Seventeen Keys to Righteous Judgment**:

#11—Educate yourself on God’s Laws, Statutes and Judgments

That’s important to understand! A lot of people think that the Laws of God and the statutes and judgment that He gave are null and void. *They’re not!* The only ones that have been changed are those having to do with the priesthood and the temple and the sacrifices.

But what He did, He raised it to a higher level that now the sacrifice is Jesus Christ, the Son of God, and the temple is the one in heaven above, and you’re praying to God the Father in heaven above and not to some building on the earth.

Be it known that for the Jews in the Middle East, building the temple is their idol. They think if they build that temple that they’re going to rule the world.

They will build it, **but they won’t rule the world because Jesus Christ will come shortly after that!** Educate yourself on God’s Laws and Judgments. Now here’s what it says here in:

2-Timothy 2:15: “Diligently *study* to show yourself approved unto God...”

- How many people study the Bible every day?
- Study it to learn from it?
- Study it to know how to live?
- Study it to know how to think?
- Study it to know how to love?
- Study it to know how to make righteous judgment?
- Study it to see what they need to do in their lives, and to have it written in their heart and mind, so this is the way that they think?

Listen! Think about this:

All of the educated people in the world, I don’t care how many PhDs they have. **IF** they don’t know the Word of God and don’t know God, **they don’t know anything!** Because whatever they have is human knowledge.

And (inaudible) is going to prove that. Because all you’re going to get in A.I. is what they put in it. Likewise with all of these stupid robots that they’re trying to make into human beings, they must run on electricity. Just turn off the electricity.

“...**rightly dividing the Word of the Truth**” (v 15). *That is properly putting it together!*

We have a booklet that you can write for: *The Apostle Paul’s Teachings on God’s Laws*. He wrote some things that are hard to understand, but when you know the whole Bible and you know the different things in there, you will see that the way that it has been interpreted by the Christianity of this world, that it’s wrong.

So, we need to follow God’s admonition to Joshua, which was this: **Be strong!** That’s what we have to do. That’s what we saw there.

- seek the Lord
- be strong in the Lord

Joshua 1:7: “**Only be strong and very courageous so that you may observe to do according to all the Law...** [here’s how it needs to be] ...**Do not turn from it to the right hand or to the left, so that you may prosper...**”

That’s what God wants us to do. But the most important thing is **we need to prosper in our relationship with God!**

- not just the things of the flesh
- not just the things that we need

God will provide that; God will work it out! IF we’re trusting Him:

- He’s going to fight our battles for us
- He’ll open the doors for us
- He’ll show us what we need to do

He says this to Joshua:

Verse 8: “This Book of the Law shall not

depart out of your mouth, but you shall meditate therein day and night, so that you may observe to do according to all that is written in it, **for then you shall make your way prosperous, and then you shall have good success.**”

I might just say to all the listeners, all of the sponsors that John has, you use those sponsors because John is trying to bring as much Truth to the people as he can. The sponsors want to do that, and so they need your support.

Moderator: You know what? We’re about out of time here, Fred Coulter, but I want to mention something that both of us have overlooked.

When we mentioned Australia and New Zealand, there’s another group of Israelites, and they’ve been under duress for a lot of years now, and that is the South African people.

FRED: Oh yes South Africa! Yes, yes, yes! Yes, they have been.

I don’t know about Elon Musk, but he better get out of this vanity and thinking that he’s going to rule the heavens and space, and that he’s going to be able to run A.I. He better humble himself and come to God so that (inaudible) can have an open door to him. That’s my message to Elon Musk.

You may be the richest man in the world and one of the most educated and send a lot of things into space, but if you don’t know God, good, but out really any good understanding.

Moderator: All right, folks, remember this:

Fred Coulter, thank you so much for coming on the program tonight. God bless you. We must talk again much, much sooner than later, because it’s happening right now, ladies and gentlemen, it is! Why risk it? *Eternity is a really long time!* God bless you, everyone, and good night.
